Tsinghua Shenzhen International Graduate School

Tencent 腾讯

“ In May 2019, Tsinghua Shenzhen International Graduate School and Tencent co-established the Interactive Media Design and Technology Center to carry out professional master’s education. Integrating the latest industry into education, the Center aims at cultivating leaders and producers in the **Interactive Media Industry**. Its first batch of students will enroll in 2020.

”

**Duration:** 2-3 years

**Mode of instruction:** "School tutor & Corporate tutor" dual tutor system

**Structure:**

- Year 1: professional foundation courses
- Year 2: besides in-class courses, there will be opportunities for students to visit top universities around the world famous for their interactive media majors, or participate in internship projects at leading Chinese enterprises in the interactive media industry.

- Submit Tsinghua University Graduate Application for Admission
- Have experience or show interest in interactive media (game, film, animation, literature, design, etc.).
- Innovative and good at design thinking.
- Most of the courses are taught in Chinese and require Chinese language skills.

## Phase 1: Register.

a. Fill in the application online: <http://gradadmission.tsinghua.edu.cn>

b. Upload application documents:

- **Tsinghua University International Graduate Program Application Form**
- **Photocopy of passport personal information page** (If the applicant is formerly a Chinese citizen and later a foreign national, a certificate of cancellation of the Chinese household registration or a statement of proof must be provided )
- **Personal statement.**
- **Original bachelor's degree certificate** (Students who have not graduated can provide a pre-graduation certificate, then provide the original certificate once the degree is obtained).
- **Original transcript of undergraduate degree.**
- **Two or more letters of recommendation** from professors/ professionals in related industries
- If you have portfolios related to interactive media (game, film, animation, literature, design, etc.), compile as a PDF and upload as other supplementary materials.
- GRE or GMAT score provided voluntarily.

c. Pay the application fee online.

## Phase 2: Interview.

October 15 to December 15, 2019	First round of application.
December 16, 2019 to January 5, 2020	Material review and interview of first round applicants.
January 1 to March 1, 2020	Second round of application.
March 2 to March 31, 2020	Material review and interview of second round applicants.

**Notice:** ■ If there are not enough applicants in the first round, applicants will be put together for review and interview during the second round; ■ January 16th to February 12th, 2020 is the Chinese Lunar New Year holiday.
